Art Magazines & Journals

Back Issue List

Explore the hidden treasures of our vintage magazines & journals.

A full list of titles and availability.

Back Issues

Our back issue collection is a true gem of art history. Dating from the mid-19th century to the present day, the collection features hundreds of bound volumes and several rare, antique titles.

You can read our back issues in the library.

Due to circumstances beyond our control, certain back issues may be unavailable. If you would like to see a particular back issue, please contact us before visiting to check availability.

Did you know?

You can search the contents of selected back issues with *Art Full Text*, our free online journal database

Searchable publications are marked **AFT** in the list.

For details visit: leeds.gov.uk/libraries/online-resources

Selected publications are also available through *Libby*, our free digital eMagazine service.

Titles available through Libby are marked **LIB** in the list.

For details visit: my.nicheacademy.com/leedslibraries
