Autobiographies
& memories

Voices from the past

A catalogue of published and unpublished autobiographical material held at Leeds Central Library. These pamphlets and short books contain the memories of local working-class people during the 20th-century, usually in their own words.

Our Research Guides list some of the most useful, interesting and unique items in at Leeds Central Library. Many others are listed in our online and card catalogues. Items marked * may require 24-hours notice to view.
